Dear Calvary Family: We have been overwhelmed by your kind and hard-working efforts during our transition time. What a wonderful and God-honoring farewell program! It was an emotionally exhausting day, but your words, music, and food contributions will never be forgotten. We especially thank those who helped us pack and load the truck. That was a life-saver for us. We are gradually getting settled in our new location, but you are forever in our hearts. We know God has great plans for Calvary! —Love and blessings, Loren and Lenore Franchuk
