Interim Field Director

“The Peace and Transformation Team led by Rev. George Minang recently held a conference for pastors and leaders from the area around Ndu and Kumbo. The group gathered at the Ndu Seminary, and those attending are all residents in areas who have been seriously affected by the conflict. We are so thankful God prepared the way so that they were able to travel and meet safely. The 34 participants spent two days learning about loss, grief, mourning, anger and forgiveness, resilience and selfcare, and understanding stress and trauma, and they gained valuable insight and skills to assist the people in their communities.”
